B.E. Computer	Agnel Institute of Technology and Design	2019-2023	83%
12 th	St Francis Xavier High Secondary School, Siolim	2018	56%
10 th	St Francis Xavier High School, Siolim	2016	69%

EXPERIENCE

Company: Global Minds Limited Goa, Panaji (On-site)

Title: Associate Software Engineer

Duration: 8/2023-2/2024 (7 months)

Role: During my tenure at Global Minds Company, I underwent comprehensive training in website design and development, with a specialization in Oracle tools. Our focus was primarily on Oracle's Visual Builder Cloud Studio (VBCS) for app development and for designing Oracle JavaScript Extension Toolkit (OJET). Under expert guidance, I honed my skills in leveraging VBCS to create innovative and user-friendly web applications, enriching my proficiency in the Oracle ecosystem.

Company: CreativeJoules Solutions

Title: Intern UI/UX Designer

Duration: 8/2022-10/2022 (3 months)

Role: As a UI/UX intern at CreativeJoules Solutions Company, I gained hands-on experience in designing with Figma. From wireframing to prototyping, I received hands-on training and successfully completed assigned project.

PROJECTS

Company Project

Title: **Employee Management System for Global Minds Limited using OJET Toolkit and VBCS**

Project Description: I spearheaded the development of an Employee Management System (EMS) using Visual Builder Cloud Studio and REST API for. This system efficiently tracks employees and company assets, ensuring seamless management and organizational oversight.

College Project

Title: **Homemade Food Services Webapp/App**

Project Description: Webapp was used to provide Homemade healthy food services and overcome the drawbacks of Swiggy App. Implemented using Collaborative Filtering Algorithm, Geolocation API, Razor Pay Payment Gateway and bootstrap.

Internship Project

Title: **Animation Web Streaming UI/UX Design for CreativeJoules using Figma Design**

Project Description: During my internship, I designed a captivating UI/UX for an animation web streaming platform using Figma. The interface showcased anime recommendations, recent views, and top 10 selections. Designed for multiple screens, including laptops, mobile devices, and tablets, ensuring a seamless viewing experience.

Personal Projects

- **Portfolio Website Using React.js** (libraries used: @email.js, Swiper, iconscout, framer-motion, paginate, scroll etc)
- **Currently building Ecommerce Website using React.js**
